

Technical drawing of the GMT CXN80200-P2-Ezi-Servo-PR-28M, showing three views: top, front, and isometric.

Top View Dimensions:

- Overall length: 310
- Motor housing length: 96
- Motor housing offset: 43
- Motor housing width: 66,6
- Mounting hole spacing (center-to-center): 35, 70, 35, 35, 70, 35
- Mounting hole diameters: $\phi 3,4; \phi 5,5$

Front View Dimensions:

- Overall width: 80
- Mounting hole spacing (center-to-center): 35, 35
- Mounting hole offset from center: 25, 25
- Mounting hole diameters: 4x M3x0,5 $\nabla 5,5$; 8x M4x0,7 $\nabla 5,5$

Isometric View:

- Shows the servo motor and the PR-28M bracket assembly.
